The following advertisement was authorized published by the Board in compliance with Chapter 388.031, Florida Statutes.

NOTICE OF ELECTION

The Board of County Commissioners of Walton County, Florida, hereby declares that it has determined that a petition has been duly signed and submitted by the requisite number of registered electors who are freeholders residing within the territory described on said petition, requesting the creation of a Mosquito Control District therein and that the creation of such a district is feasible and practicable to eradicate or control mosquitoes and other arthropods in said territory and that the Board of County Commissioners of Walton County, Florida at its regular meeting on the 10th day of March 1964 held May 26th, 1964 as the date for said election and determined that the name of the District shall be the South Walton County Mosquito Control District, should the electors determine to create such a district and that its boundaries would be as follows:

The territory to be included in the proposed district shall be bounded on the South by the Gulf of Mexico. The East Boundary of the district shall be that portion of the Walton-Bay County line from the Gulf of Mexico to the Choctawhatchee River. This line shall then be projected northward along the line dividing Range 17 West and Range 18 West to the northeast corner of Section 12, Range 18 West, Township 2 South. This shall be the northeast corner of the district.

The northern boundary shall begin at the northeast corner and extend westerly along with section line forming the south boundary of Sections 1, 2, 3, 4, 5, and 6, Range 18 West, Township 2 South, until said line intersects the highwater mark at the eastern tip of Jolly Bay. At this point the northern boundary shall follow the high tide water mark contour around Choctawhatchee Bay and its tributaries until reaching the Walton-Ocalaosa County line.

The west boundary of the district shall be that portion of the Walton-Ocalaosa County line extending from the high tide water mark on the north shore of Choctawhatchee to the Gulf of Mexico.

The west boundary of the district shall be that portion of the Walton-Ocalaosa County line extending from the high tide water mark on the north shore of Choctawhatchee to the Gulf of Mexico.

All registered voters, who are freeholders and reside within the above described territory are eligible to vote for or against the creation of said Mosquito Control District and to elect the District Board of Commissioners.

This by order of the Board of County Commissioners of Walton County, Florida in regular session on the 10th day of March 1964.
